not many people believed the 1969 green bears would amount to much. gone from the 1968 squad were 13 lettermen, including 7 all-conference players. after the first game, a crippling loss to northwood, ohhs students figured the team would be lucky to have a ".500" season. however, the bears—sparked by a defense that through the next 7 games gave up only 6 points a game—won 6 out of 7 games before dropping the finale to lakota.

I see the heavens laugh with you in your jubilee;
My heart is at your festival, my head hath its coronal,
The fullness of your bliss, I feel—I feel it all.

* * * *

What though the radiance which was once so bright
Be now for ever taken from my sight, Though nothing can bring back the hour
Of splendour in the grass, of glory in the flower;
We will not grieve, rather find strength in what remains behind.
